

Torrance POLICE

Excellence through Teamwork

Dear Parents and Students:

The Torrance Police Department cares about your safety. Traffic is a concern of schools nationwide, particularly as parents pick up and drop off their children. Our goal is to make this process flow in a safe and smooth manner. We can do it with your help. Please obey all traffic laws and parking restrictions!

To improve the situation, beginning in the 2006-07 school year, we started using video cameras to record violations near our schools. The cameras will continue to be used for the 2015-16 school year. Citations will be mailed to the registered owner of the vehicle. You don't want to become a star on our camera! Instead, help us out by NOT picking up or dropping off in the following areas:

Driveways

Red Zones

No Stopping Zones

Double Parking

Crosswalks / Intersections

Handicapped Spaces

By following the suggestions above, we can work together to provide a safe environment for students while avoiding citations. If you have any questions, please call us at (310) 618-5557. Remember, wear your seatbelt, have a safe school year, and don't become a star on our camera!
