

February 2017

Dear Friends,

On behalf of the Board of Directors of Torrance Education Foundation (TEF), we invite you and encourage you to participate in our 13th Annual Car Raffle, generously made possible by Toyota Motor Sales, USA. Your purchase of tickets will directly support school programs and enrichment activities for students in Torrance Unified School District.

In recent years, the generosity of our community has given TEF the capability to make a number of critical investments in TUSD:

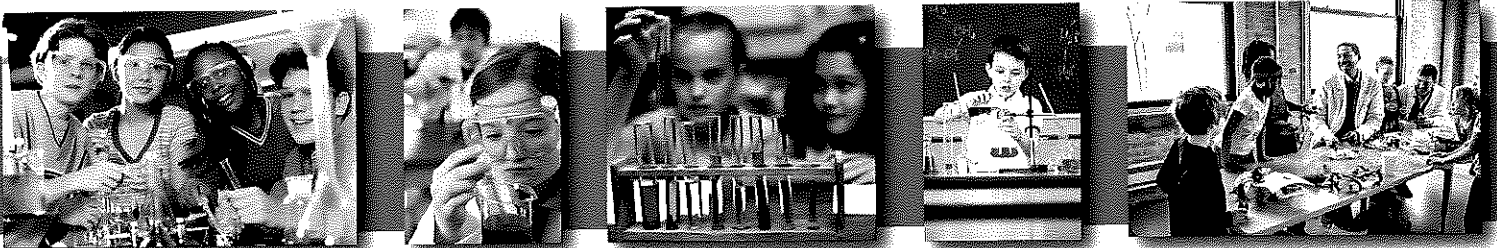

- TEF launched its *STEM Initiative* and has made 104 grants to teachers, totaling \$86,000 for projects in Science, Technology, Engineering, and Math;
- TEF provided \$164,000 to outfit the first four new Elementary Science Laboratory Classrooms being constructed at Carr, Edison, Lincoln, and Yukon Elementary Schools;
- TEF built and fully equipped a District computer learning laboratory for faculty and staff training;
- TEF has supported Academic Decathlon at all four High Schools, and award-winning Robotics teams at both middle and high schools;
- And now, **we are committed to raising \$250,000 to equip the next Six (6) Elementary Science Labs being constructed at TUSD Elementary Schools!**

Our friends at Toyota have donated a beautiful 2017 RAV4 Hybrid SUV. The winning ticket will be drawn on April 1, 2017 at the Celebrate Education Dinner at Chef Shafer's The Depot. The lucky winner of the RAV4 need not be present, but we hope you will consider joining us for the dinner in celebration of education in our community. Invitations will be available in late February, and on the TEF website.

Thank you – and Good Luck!

Kevin O'Brien
